New on the McLean Campus

I am pleased to let you all know about a new benefit for families of hospice patients.

The Tesone Hospice Family Room provides a temporary space on campus for a hospice family to use during a designated time, so that they can rest and be closer to their loved one during the end of life.

The new space has been created in cottage #9 and can accommodate up to four people. It is available for families of those living on the McLean Campus via the Nursing Supervisor and Hospice Supervisor.

Director of McLean Village
