### Meet Karen

Grammy-nominated Karen Taylor-Good has had numerous international hits with songs recorded by such artists as Laura Branigan, Melissa Manchester, Al Jarreau, Nana Mouskouri and Patty Loveless. She's garnered several "Songwriter of the

Year" awards. Karen writes powerful songs about issues that most writers would not even attempt to address.

As a vocal artist, Karen has been heard on national radio and television jingles for United Airlines, Taco Bell, Peter Pan Peanut Butter, McDonalds and others. She has recorded with such notable performers as Dolly Parton, Al Green, Willie Nelson, Kenny Rogers and George Jones. As a solo artist, she has had 9 nationally-charted singles.

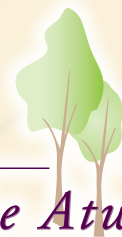

In addition to a successful music career, she is also a published author. Her book, *On Angel's Wings*, resonates deeply with mature audiences. The book contains poignant, moving and uplifting stories dealing with aging parents, teenagers, child abuse and spirituality.

As a keynote speaker, Karen's presentation, "Nurturing the Nurturers," has drawn acclaim and praise from hospitals to churches to associations such as the Alzheimer's Association and National Hospice Foundation.
